PROFILE

A passionate and aspiring UI/UX Designer with a background in Software Engineering (PPLG). I have a deep interest in IT Design and enjoy exploring various aspects of UI/UX. My passion for editing and designing drives me to continuously enhance my skills in creating user-friendly and visually appealing interfaces.

EXPERIENCE

OSIS - Documentation Division

- Captured and edited photos/videos for various school events
- Managed event documentation and media coverage
- Edited visual content for promotional and archival purposes

Portfolio Website Development

- Designed and developed a personal portfolio website to showcase UI/UX and web development projects
- Built the website using HTML, CSS, and JavaScript, ensuring a responsive and interactive user experience
- Continuously updated the website with new projects and improvements based on feedback

Extracurricular Activity - Angklung (Conductor/Dirigen)

- Led and coordinated the angklung performance as the main conductor
- Directed team rehearsals to ensure synchronization and harmony among members
- Performed in various school and public events, representing the school's musical talent
